Sir:

Assignee, TeamOn Systems, Inc., having a mailing address of 1180 NW Maple Street, Suite 201, Issaquah, WA 98027, verifies through its duly authorized representative that it is the owner of all right, title and interest in United States Patent Application Serial No. 10/777,871 (hereinafter "the '871 Patent Application") and has remained owner of all right, title and interest from the time of filing the original Assignment to the present. The Assignment was recorded on February 12, 2004, at Reel 014991, Frame 0880.

Assignee hereby disclaims, except as provided below, the terminal part of any patent granted on the '871 Patent Application which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. § 154 to § 156 and § 173

of any patents granted on co-pending applications 10/777,577, 10/778,613 and 11/678,088. Petitioner hereby agrees that any patent so granted on the '871 Patent Application shall be enforceable only for and during such period that it and the '577 Patent Application, '613 Patent Application or '088 Patent Application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the Grantee, its successors or assigns.

In making the above disclaimer, Petitioner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. § 154 to § 156 and § 173 of the prior patent, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
